JAGARLAPUDI RADHA KRISHNA

Warangal, Telangana | radhakrishnajagarlapudi@gmail.com | LinkedIn | GitHub | Portfolio

PROFILE

Computer Science & AI/ML student interested in software development and building practical applications. Comfortable working with Python, Java, SQL, and web technologies. I enjoy learning new technologies, working on projects, and turning ideas into simple working solutions.

EDUCATION

B.Tech - Computer Science & Engineering (AI & ML) **2023 - 2027**
SR University, Warangal

TECHNICAL SKILLS

Programming: Python, Java, SQL
Web: HTML, CSS, JavaScript, React
Backend: Node.js, Express
Database: MongoDB
Tools: Git, GitHub, VS Code

PROJECTS

Lost & Found Management System LIVE GITHUB
A simple platform for reporting and searching lost and found items. Users can add item details and connect with others to help find missing belongings.

MIA AI Assistant LIVE GITHUB
A web-based AI assistant created to help users get answers through a simple interactive interface. Focused on keeping the experience easy to use and straightforward.

Luxe Store LIVE GITHUB
A simple e-commerce website for browsing products through a clean and responsive interface. Designed with a focus on a smooth and easy browsing experience.

Personal Portfolio LIVE GITHUB
A personal website that brings together my projects, skills, certifications, and other work in one place.

INTERNSHIP EXPERIENCE

Python Full Stack Development Internship **Apr 2026 - May 2026**
Gained practical experience in Python, backend development, and databases through project-based learning.

AI-ML Virtual Internship **Jul 2025 - Sep 2025**
Gained practical exposure to AI/ML concepts, data preprocessing, and basic machine learning.

Android Developer Virtual Internship **Jan 2025 - Mar 2025**
Learned the basics of Android application development and worked with Android Studio.

Employability Skill Job Ready Internship **Oct 2024 - Dec 2024**
Developed communication, teamwork, problem-solving, and workplace readiness skills.
